

Used Oil
You Dump It...You Drink It!
Protect Our Drinking Water

Eastside LUBE CUBEs:

- Eastside Service Station-Utusi'a
- Pago Way Service Station-Pago Pago
- ASCO Motors-Pago Pago
- Morris Scanlan Service Station-Utulei
- Nu'uuli Service Station-Nu'uuli

Westside LUBE CUBEs:

- Triple "S" Service Station-Tafuna
- Airport Way Service Station-Tafuna
- Country Service Station-Pava'ia'i
- Alamai Service Station-Leone

Used motor oil dumped on land contaminates our drinking water which lies just below the surface. It kills plants and animals and destroys streams and beaches. You can drop off up to 20 gallons of used motor oil at a **LUBE CUBE**. You can **NOT** drop off hydraulic fluids, brake fluids, used cooking oil, solvents, paints, pesticides or commercial used motor oil at the lube cubes. For information on proper disposal of these liquids call AS-EPA.

Protect the land—Protect your health.
